## Kitchen, Living Room, Gallery

Great mountain views and buffalo herd roaming in front of the house as well as wild game elks, turkeys,...

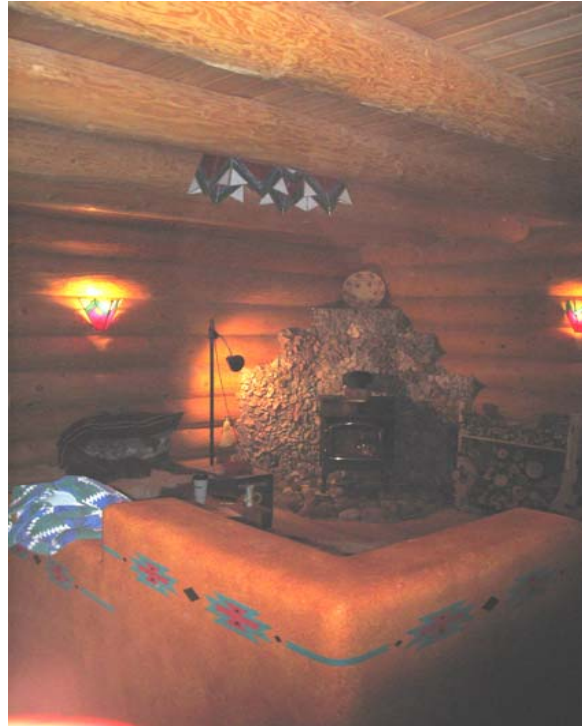

There's a full equipped kitchen with dishwasher, microwave, stove, 2 refrigerators. Just bring your food and beverages and help yourself. If you want to cook some healthy and tasty buffalo you can buy it directly from the ranch.

## Fireplace, TV, DVD, Music

Feel yourself at home at a cosy warm corner and watch the fire in the stove. Enjoy the warmth from the sun and the floor heating in the wintertime and the pleasant cool climate in summertime.

## Accommodation in a beautiful surrounding

## Land of Enchantment

We're pretty close to many attractions of the Southwest: Santa Fe, Taos or Albuquerque with their beautiful adobe style. In the nearby Rocky Mountains are a lot of places for relaxation. Pikes Peak is only 2,5 hours from us.

We have 1,180 acres of private hunting. You can hunt elk, bear and turkey. Ask for reservations next hunting season. Guide available on request.
